

Unique offerings...

Delta Barrington now operates the only floating ballroom in the company...that's right 'Floating'

We have extended our meeting space by partnering with the Tall Ship Silva. The Silva can accommodate up to 150 people and the backdrop is amazing....A Sunrise Breakfast meeting to a Moon Lit Cocktail Cruise...all catered by the Delta Barrington...

Delta Barrington is also the preferred caterer for all events on the National Historic Site, Fortress Citadel. From 20 to 2000, this unique venue was built to protect our city...but now provides clients with the best views of our city and the finest cuisine!!! Become a Soldier for a day, watch the Highlanders load and fire the noon day gun, go on a spooky ghost walk or simply bask in the history.

Delta Halifax and Delta Barrington have exclusive access to Brightwood Golf and Country Club nestled 7 minutes from our front doors! This exclusive course is a real challenge....and at the same time, unbelievably rewarding. Tee times can be set when you book your room through our reservation department and because you are a loyal Delta client, the rate is \$40! Don't stop there....we can also assist you in pulling a tournament together!!!

Picture this....your awake to a beautiful sunrise and are whisked away to the Tall Ship Silva for a breakfast meeting on Halifax Harbour. You are teeing off at 1 at Brightwood for bragging rights at the dinner that will be under the stars on Citadel Hill....

Now that was a great day....what will you do tomorrow!!!!
